

# South Carolina Survivors and Liberators

*"We will accomplish a mission that the victims have assigned to us; to collect memories and tears, fragments of fire and sorrow, tales of despair and defiance, and names---above all--names. What we all have in common is an obsession not to betray the dead we left behind or who left us behind. They were killed once. They must not be killed again through forgetfulness."*

Elie Wiesel, Holocaust survivor  
Nobel Peace Prize Laureate
