

The Columbia Holocaust Education Commission offers speakers who share family Holocaust testimony, historical expertise, and vital lessons in tolerance, justice and human rights.

We invite civic groups, non-profits, faith-based institutions, professional associations, museums, and government agencies to request a speaker for educational or commemorative events.

Please complete the form below to request a speaker at least 2 weeks in advance of the event and email to [CHEC@jewishcolumbia.org](mailto:CHEC@jewishcolumbia.org).
